► The Package Contents

- HT730 Plus 4-Slot Battery Charger
- Power Supply (12V/ 5A) without power cord

► Optional Accessories

- US Power Cord
- EU Power Cord
- UK Power Cord
- Cradle Hook

► Checking LED Status

Battery Charging Status LED

Power LED

LED Status	LED Type	Description
Solid Red Light	Power LED	Power supply is connected
	Battery Charging Status LED	Battery Charging
LED Off	Power LED	Power supply is not connected
	Battery Charging Status LED	Battery Fully Charged
Flashing Red	Battery Charging Status LED	Power supply is connected without battery

► How to Install Cradle Hooks

By attaching cradle hooks to the sides of the cradle, you can secure the cradle with screws.

Note: The ports on the right and left sides are for the cradle hooks.

► Charging the Battery

Plug the AC adapter cable into the power jack on the battery charger, and then plug the other end of the AC adapter into an electrical outlet.

Insert the batteries into the charger, and it will automatically detect them and begin charging.

CAUTION!

To ensure the unit working properly, please keep all connectors away from the contaminants such as dust, grease, mud, and water. Negligence may cause the unit to lose communication, short circuit, or overheated. If the connector is damaged, please ensure the connector is fully repaired before using the unit to avoid short circuit.

DO charge between 20% and 80% to protect your battery.

Avoid full discharges (<0%) or charging all the time (always 100%) to reduce stress on the battery.

WARNING!

There is a risk of fire and burns if the battery is handled improperly.

DO NOT disassemble, crush, puncture, short external contacts, or dispose the battery pack in fire or water. **DO NOT** attempt to open or service the battery. Dispose used batteries according to local recycling guidelines in your area.
